From looking like this picture!

By taking a few minutes to review the Community Wildfire Protection Plan (**CWPP**) that has been drafted, and paid for with taxpayer dollars, at the request of the Gilpin County Commissioners...

Your comments and suggestions will ensure that this plan is the **best plan** for the County and, more importantly...

Ensure that the CWPP is the

BEST PLAN FOR YOUR NEIGHBORHOOD!

To review the plan and make comments or suggestions:

Go to one of the following locations

- Gilpin County Library (Hwy 119)
- Gilpin County Community Center
- Gilpin County Old Courthouse (Central City)

Visit the Gilpin County website:

www.co.gilpin.co.us

and click on:

[Gilpin County Community Wildfire Protection Plan \(CWPP\) DRAFT](#)

Unless you are an Adobe Acrobat® expert, skip to page 15 and look in the index for your neighborhood and go directly to that page.

What should you review?

- The maps of your neighborhood
- The plan for wildfire mitigation in your neighborhood, including evacuation routes
- The common parts of the plan that affect every neighborhood (if you have time)

What should you do to make the plan better?

- Make a copy of any Map or Page for which you would like to make suggested changes
- Mark up the Map or Page with your suggested changes
